Fundraiser Overview

The Belleair Beach Community Foundation, Inc. (BBCF), a 501(c)3 charitable organization, seeks funds to donate to the City of Belleair Beach for the purchase of an automated sandbag machine, essential for hurricane preparation. The sandbag machine is estimated to cost \$24,850. This expense is not included in the City's current budget. This fundraiser aims to raise this amount while also providing local community businesses with advertising opportunities along Gulf Boulevard.

Program Details

Donors will be able to purchase a 2' x 4' double-sided flag, which will be displayed on an existing utility pole along Gulf or Causeway Boulevard from June 8, 2026, through September 8, 2026. The cost per flag is \$500, and donors will receive a full tax-deductible receipt from BBCF. The City of Belleair Beach will assist with the display of the flags (please note that the flags will not be returned after the display period).

Donors can select from four color options, customize the verbiage, choose a summer-themed background, and submit a high-resolution vector logo. Flags will be arranged aesthetically on Gulf or Causeway Boulevard. BBCF cannot accommodate requests for specific flag placement locations. Sponsorships are on a first-come, first-served basis, with an initial limit of three flags per business. A total of forty flag locations are available, and submissions must be received by BBCF by May 15, 2026. Payments can be made via check or credit card through the donor box on the BBCF website. Orders can be submitted via email at BBCF33786@gmail.com, mailed to 97 Harbor Dr., Belleair Beach, 33786, or designated drop box at City Hall.

Restrictions and Guidelines

To maintain a family-friendly environment, BBCF will enforce the following specific restrictions:

- No advertising of cannabis, tobacco, firearms, or adult entertainment are allowed.
- Content must be commercial in nature (political, religious, or controversial messages are not allowed).
- All donations are final; no refunds are issued for any reason, including business closure or acts of nature.

Donors are encouraged to support their local community; open donations of any amount are also welcome.

For questions, contact the BBCF at (219) 707.3745.
